Dear Business Owner,

The St. Augustine Cruisers Car Club (SAC) is a local organization that has been in existence for over twenty years. The organization has a membership that is in excess of 100 members all of which have a common interest in cars, modern specialty or vintage. St. Augustine Cruisers attend and display our club cars at numerous events and civic gatherings. We commonly experience a great reception at these events by the public. Young and old enjoy seeing these cars and the endless questions reaffirm the interest.

The focus of our fundraising efforts are to raise and redistribute proceeds to groups that can benefit from the club donations. The club votes yearly for the charities that receive the donation. The considerations for receiving funds are diverse.
